To Whom It May Concern:

I have practiced law as a criminal defense attorney for over 15 years and I write this letter in support of Mr. Luc J. France, who is applying for Board Certification as a criminal defense investigator. To date, Mr. France has conducted nine (9) comprehensive criminal investigations for my law firm, and in each instance, he has delivered high caliber, timely work product. Specifically, he has assisted me in obtaining crucial information in defense of my clients. During a murder trial, Mr. France was in court with my team providing real-time information in a fast-paced and stressful environment. He did so with integrity and aplomb.

Mr. France spent decades as a law enforcement officer in New York State, and received awards for his service and achievements. He continues to serve with distinction as a defense investigator, and approaches each case and client with respect, diligence, and a willingness to serve. Mr. France scrutinizes every piece of evidence methodologically and virtually leaves no stone unturned. Mr. France uses his experience and skill to secure groundbreaking evidence either proving or disproving alleged facts.

In summary, I am thrilled to have Mr. France on my team, and I recommend him for Board Certification without any hesitation. The defense bar is fortunate to have him working on behalf of our clients, and I look forward to him continuing his work as an asset to our community. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Scott Skier, Esq.
